CRIANZA / AGEING

12 meses en roble americano, de un tostado medio.

12 months in American oak with medium roast.

NOTA DE CATA / TASTING NOTES

Picota oscuro con ribete cardenalicio. La nariz es compleja, destacando aromas de fruta negra madura bien equilibrados con notas de vainilla y tostado procedentes de su crianza en barrica nueva.

Es redondo, completo y potente en boca, con excelente evolución y taninos maduros bien integrados con el carácter frutal. Por vía retronasal se perciben aromas especiados y de compota.

This dark cherry wine shows purple glints. On the nose, it is complex, with outstanding ripe black fruit aromas backed by oaky vanilla and toast from its ageing in new oak barrels. Fresh fruit flavours follow the nose to round it out.

It is round, complete and powerful on the palate, with good backbone. Oak is present as a spicy note, with hints of compote coming through.
